

Chalfont St Giles Parish Church Choir

If you have come to a church service you are probably aware that we have a thriving, friendly choir, ranging in age from 7 to 80+. We are always looking for new recruits. Many members of the parish church like to serve the community and share their faith through leading the worship of the church.

If you enjoy singing, like church music and have some familiarity with musical notation, then why not consider joining us?

We rehearse every Friday : Adults from 5.45 to 7 pm in church.

We sing at 9.30 am Sunday services and some 6pm services when they occur.

Of course, with busy lives, not everyone is free every week, but we try to come to the Friday practice before the following Sunday service.

Adults sing in four-part harmony where possible and we take time to learn our parts.

We would love to see more people of all age groups joining us. Busy families could perhaps spare one tuneful parent to come along with their child, and remain for the adult practice.

Lastly: Every two months we take on a challenge and sing a full choral evensong. If you have other commitments as a busy singer, or indeed worship at another church (we are often joined by some Roman Catholic friends) then you might like to join us for one of these occasions.

The Choral Evensongs in 2023 will be on Sundays at 6 pm, with a practice on the day at 4.30 pm and the previous Friday from 6.15 to 7pm

Dates for these in 2023 are 28th May, (Pentecost) 23rd July, (Celebration) 24th September, (Harvest) , 26^h November.
